5. FINANCIAL REPORT 2008 BY APIA TREASURER

In the absence of Treasurer, Mr. Scott MacDonald, Mr. Upadhaya invited Secretary Dr. Philip Smith to present APIA’s Financial Report as at 31st December 2008.

Dr. Philip Smith reported the following:

Balance Sheet
- Total Current Assets stand at USD250,844 compared to USD242,372 last year.
- Total Liabilities increased from USD7,842 to USD29,474. The amount represented unearned Membership Income and payment received on behalf of ASTI for the APRICOT 2009.
- Total Cash in the bank as at 31st December 2008 is USD250,544. These comprise of Time Deposits most held in the Euro currency.

Statement of Income & Expenditure
- APIA’s Membership Fee received increased to USD14,000 compared to USD13,550 as the number of Members has grown from 25 to 30.
- APIA made a loss of USD13,160 compared to an income of USD19,171.30 the previous year. This was due to an increase in the Operating Expenses from USD12,288 to USD45,123. There were two major contributing reasons to the increase in the Operating Expenses. Firstly, APIA engaged a Secretariat staff and secondly, there was an exchange loss as APIA’s cash in the bank is held mainly in Euro.

Dr. Philip Smith presented the draft APIA Budget for year 2009 for members’ consideration.

- Total budgeted Expenses of USD20,460 comprises APRICOT 2009 Expenses, Donation and Contribution to AP*, Secretariat Travelling Expenses for meetings and License and Renewal Fees.
