**Internet Protocol Journal (IPJ)**

APIA agreed to support IPJ. Besides some non-tangible support, which includes endorsement of the publication and promotional opportunities at the APRICOTs, APIA will contribute USD15K over the next three (3) years to IPJ.

3.5 **APRICOT**

As from APRICOT 2017, the locations will rotate around the four (4) sub-regions as follows:

- 2017 – South East Asia
- 2018 – South Asia
- 2019 – North East Asia
- 2020 – Oceania

3.6 **APRICOT 2014**

On the advice of the hosts, True and NECTEC, APIA reluctantly agreed to move APRICOT 2014 away from Bangkok; the decision was made on 20\textsuperscript{th} January 2014. This was probably too close for comfort.

Five (5) workshops, which attracted over 120 delegates, ended on 22 Feb 2014. The workshops remain a popular component of APRICOT. Twenty one (21) Instructors volunteered their time to lead the workshops.

Overall, more than 600 delegates have registered for both the workshop and conference. Keynote speakers include Professor Nii Quaynor, Professor Kanchana Kanchanasut and Mr. Pindar Wong.

**APRICOT 2015 and 2016**

The events will be held in Fukuoka, Japan and Auckland, New Zealand in 2015 and 2016 respectively.
3.7 REGULAR MEETINGS AND COMMITTEES

As the schedule works, APRICOT and APIA meetings are scheduled and held regularly. In addition, the structure of the committees has been maintained as it is working well.

APIA Board also meets with the APNIC Executive Council to keep each other updated on respective association activities.

APIA Chair, Dr. Philip Smith concluded the Annual Report and open to the floor for any questions.

As there were none, the meeting accepted the Annual Report.

After the acceptance of the Annual Report, Dr. Smith informed the meeting that he will present on the Financial Report for 2013.
4. FINANCIAL REPORT 2013

Dr. Philip Smith highlighted the main reports as follows:

**Balance Sheet**

- Total Liabilities which comprised Account Payable and other current liabilities amounted to USD39,689.00

**Statement of Income & Expenditure**

During the year, APIA made a net profit of USD28,816. The main income is the hosting fee received from the host organization of the APRICOT 2013.

Contribution income is the amount of fellowship money received from sponsors for the Fellowship programme. APRICOT Expenses are mainly expenses incurred for the same programme.

Due to the fluctuation of the USD against the Euro, there was a foreign exchange loss of USD6,103.

During the year, Citibank Singapore closed APIA's account due to a change in their business strategy. The money is now in kept in OCBC Bank Singapore.

**APIA BUDGET FOR YEAR 2014**

Due to the 11th hour move from Bangkok, Thailand to Petaling Jaya, Malaysia, APIA is unable to present a budget for 2014. This will be prepared after the APRICOT 2014 and will be uploaded on APIA's website.
5. **DISSOLUTION OF APIA LTD IN FAVOUR OF ASIA PACIFIC INTERNET ASSOCIATION PTY LIMITED**

Dr. Philip Smith briefed members that the Seychelles is tightening up its regulations regarding offshore companies. As a result, APIA has to either substantially re-write its by-laws and the relationship with the Special Committee that is APIA or re-establish itself in another jurisdiction.

He informed members that the Board had explored the latter option and found that Australia is most appropriate, as the Secretariat, APNIC, is located there and two (2) Board members were residents of Australia. In addition, Asia Pacific Internet Association Pty Ltd has now been registered in Australia.

To facilitate the transition from the Special Committee called APIA in the Seychelles company to the Special Committee also called APIA in the Australia company, members in the former Special committee have to resolve to transfer their membership and funds to the latter Special committee. That resolution has been proposed for members to adopt at the AGM along with the notice of the AGM.

Mr. Gaurab Upadhaya commented that APNIC has the same set up and arrangement. This arrangement will allow APIA to operate in a more conducive business environment.

The membership then agreed to adopt the proposed resolution unanimously.

**ELECTION OF BOARD OF DIRECTORS**

The following candidates nominated by members.

1. Dr. Philip Smith
2. Mr. Ole Jacobsen
3. Mr. Raphael Ho
4. Mr. Dean Pemberton

As there were no contest, the above four nominees were elected to the APIA Board and will serve until the AGM in 2016.
